WINDSWEPT

PART THREE:

This week we will concentrate on cutting most of the smaller pieces.

Cutting:

- From each of Fabrics A and D, cut 40 x 3-inch squares (a total of 80 squares).
- From each of Fabrics B and C, cut 42 x 3-inch squares (a total of 84 squares).
- For now, keep A, B, C and D in four separate piles.
- Take the A fabric squares, and with your marking tool and on the wrong side of each square, draw a diagonal line from one corner to the opposite corner.

- Repeat for the B fabric squares.
- Still keep A, B, C and D in four separate piles.
