# South African National Quilt Festival Cape Town 2022

## Diversity Quilt Pattern

Finished Size 22½" x 22½"

Enjoy making this unique quilt inspired by the vibrant Cape Town 2022 logo.

Show us your *diversity* and let your personality shine  
by using fabrics and colours that inspire you!

## FABRIC REQUIREMENTS (based on 44" wide fabric)

	White: ½ yard borders
	Blue: 13" square
	Orange: 13" square
	Red: (2) 4½" squares
	¼ yard binding

Assorted pieces of fabric for tree and leaves

Fusible web for raw edge applique

28" square for backing

26" square batting

## CUTTING INSTRUCTIONS

White Borders: (2) 22½" x 5½", (2) 12½" x 5½"

Blue Triangle: 13" square cut on diagonal

Orange Triangle: 13" square (do not cut on diagonal yet)

Red Triangles: (2) 4½" square (for stitch and flip corners)

Double Fold Binding: (2) 2" width of fabric (WOF). You may need an extra strip depending on your WOF.

## DIRECTIONS

Draw a line corner to corner on each of the 4½" red squares.

Position the red squares at the corners of the large orange square, as shown. Pin.  
Sew corner to corner. Trim ¼" from sewn line.  
Flip triangles and press.

Cut orange square on diagonal.  
Discard right side of triangle.

With right sides together pin and sew the orange and blue triangles together on the diagonal with  $\frac{1}{4}$ " seam. Be mindful not to distort the edge as you are sewing on a biased edge. Press.

Trim block  $12\frac{1}{2}$ " x  $12\frac{1}{2}$ ".

Trace the tree and leaf shapes from the templates sheet onto the fusible web (the templates are already in mirror image). Mark the dots - which indicate the point of the leaf closest to the tree trunk. Write the corresponding letters onto each piece.

Cut around the shapes leaving approximately  $\frac{1}{4}$ " margin. Iron the fusible web onto the wrong side of the fabric. Cut out the shapes on the drawn lines using sharp scissors.

Before attaching the borders, fix into position the tree trunk so that it is aligned with the bottom edge of the central block - this way the base of the trunk will be within the seam allowance. The left edge of the trunk should be  $5\frac{3}{4}$ " from the left edge of the block, slightly off centre.

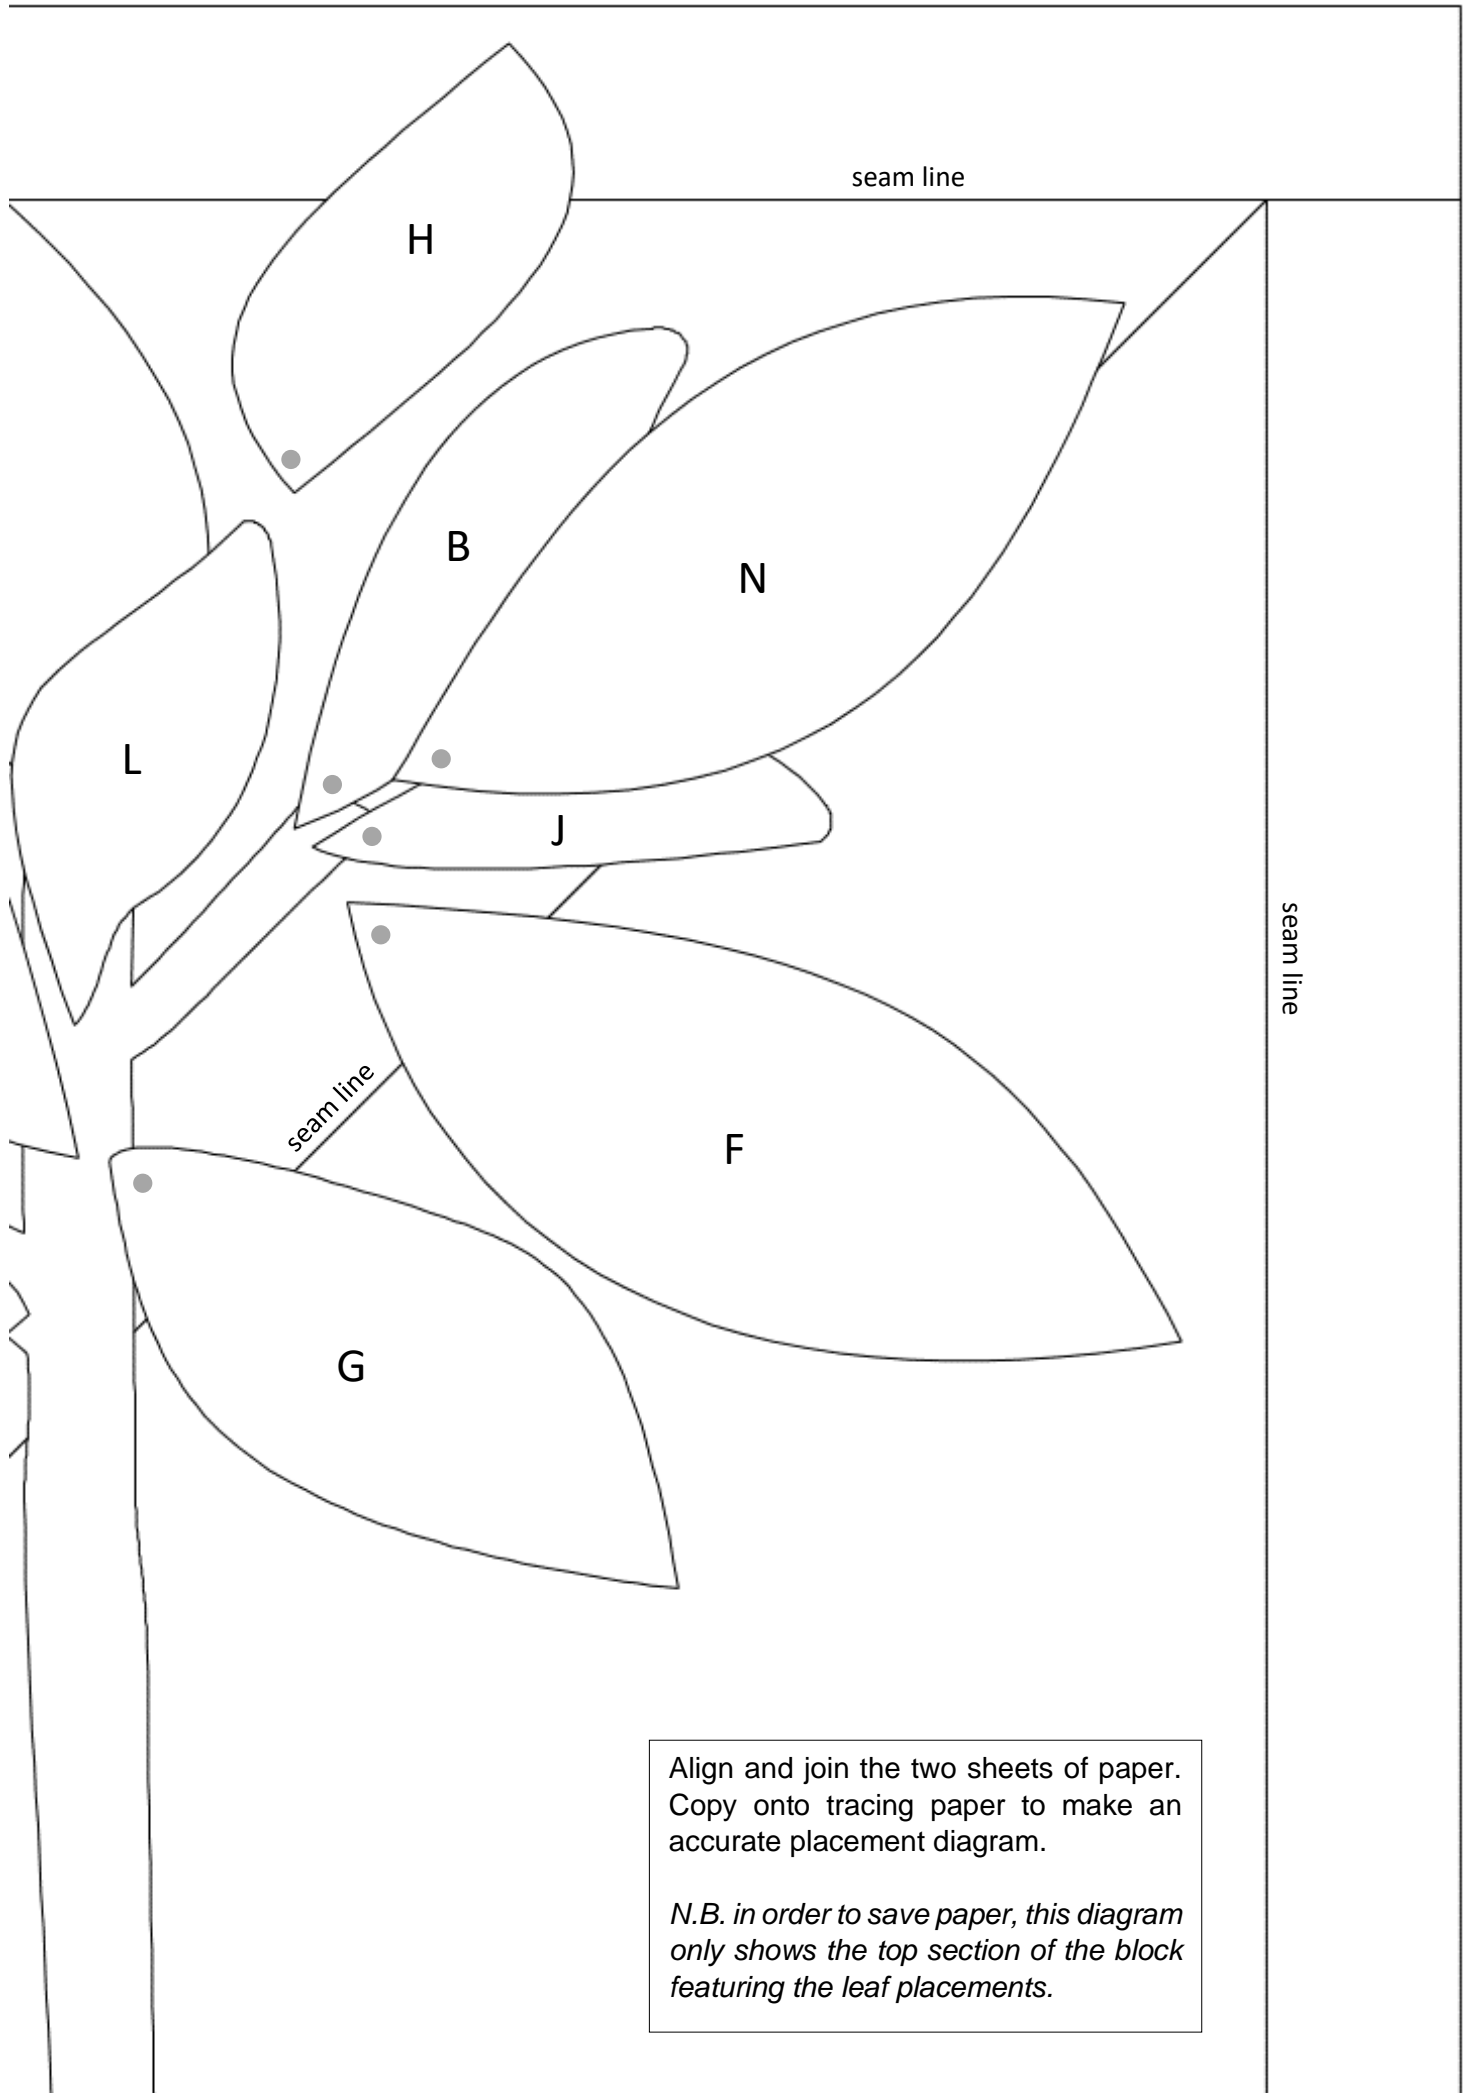

After you attach the borders you can position the leaves on the tree. See diagram for placement. You can stitch around each leaf shape with a blanket or straight stitch to secure or you can assemble your quilt sandwich and secure the applique pieces while quilting.
